RESHAPING HISPANIC CULTURES INSTITUTO CERVANTES SYMPOSIUM ON RECENT SCHOLARSHIP

The Cervantes Institute at Harvard University organizes the symposium "Reshaping Hispanic Cultures" and focuses on researchers who are beginning their professional career. During the symposium more than 40 papers will be presented with topics as diverse as literature, music, journalism, politics or teaching of Spanish language. The program of the symposium includes keynote conferences by three prestigious researchers from Harvard University.

El Instituto Cervantes en la Universidad de Harvard organiza el simposio «Reshaping Hispanic Cultures», dirigido a investigadores que están comenzando su desarrollo profesional. Durante el simposio se presentarán más de 40 comunicaciones con temas tan distintos como literatura, música, periodismo, política o enseñanza de español. Asimismo, el programa del simposio incluye conferencias plenarias a cargo de tres prestigiosos investigadores de la Universidad de Harvard.
